An inspector from the Los Angeles Fire Department reinspected your property. It was found to be compliant with Los Angeles Municipal Code 57.322, the Brush Clearance Ordinance.

Brush clearance is a year-round responsibility. If vegetation regrowth occurs, you may be required to perform additional brush clearance. If your property required more than two inspections prior to this letter being issued, a noncompliance fee will be assessed.

Please retain this notice for your records.

For information regarding the Brush Clearance Program, contact the Brush Clearance Unit at (800) 994-4444 or visit [lafd.org/brush](http://lafd.org/brush). To view the status of your property online, visit [vms3.lafd.org](http://vms3.lafd.org).

We appreciate your cooperation in working with the Los Angeles Fire Department to make our city a safer place!
