Dear Owner,

Congratulations on the purchase of your new home!

Property Management Professionals partners with the Board of Directors for your community to deliver management services to your community. You will receive instructions to access your community website, set up payments, and update your contact information. It typically takes 3 to 5 weeks for the information to arrive via U.S. mail.

Here is some information to get you started:

**Contacting Property Management Professionals:** Please reach out to Customer Care at [care@pmpmanage.com](mailto:care@pmpmanage.com) or (888) 882-0588 if you would like to contact your assigned community manager or if you have any questions.

**Amenity access:** If you have amenities that you would like to start using before you receive your login information, please contact Customer Care and they will put you in touch with your community access coordinator. Please be prepared to answer questions regarding your close of escrow.

**Architectural requests:** If you would like to make an Architectural Design Request, please contact Customer Care for a request form and instructions. You will be asked to complete a Design Review Form with supporting detail that will be sent to the Architectural Committee. Please read your governing documents to understand the architectural guidelines for your community and please do not commence any work on your home until you receive approval.

**Assessment payments:** If handled properly, the title company should have collected at least 60 days of prepaid assessments from you at close. Therefore, you will have sufficient time to set up your assessment payments once you receive your 1<sup>st</sup> statement. There are several payment options for your convenience.

**Governing documents:** Please familiarize yourself with the governing documents for your community. Through the sales process, you should have received and reviewed a copy of the governing documents for your community. These documents outline important rules and restrictions, community responsibility versus unit owner responsibilities, and how your community operates. Once you are set up in our system, all community documents are available to you on your community website/portal.

**After-hour emergency maintenance:** Please contact Property Management Professionals after-hours staff at (888) 882-0588. Emergency maintenance is an event that has caused major damage to community property and/or is causing damage to the property requiring immediate attention. All life-threatening emergencies should be directed to 911.

We look forward to welcoming you to your home!

Sincerely,

Property Management Professionals
